Please find below and/or attached an Office communication concerning this application or proceeding.

*Response to Amendment*

1. The reply filed on December 22, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendments to the claims are not in strict compliance with the revised version of 37 CFR 1.121(c) effective July 30, 2003. More particularly, the status of each of claims 5 and 11 is listed as "withdrawn", yet the text of each of these claims is shown as being completely lined through as if the entire content of each of these claims is being canceled. Thus it is still not clear whether each of claims 5 and 11 is being withdrawn or canceled. If a claim is merely being withdrawn, then the text of the claim should not be lined through in its entirety. If a claims is being canceled, then the text of the claim should not be presented at all, and the status should be listed as "canceled" and not as "withdrawn". A proper reply to the instant Office communication should be a replacement to the reply filed on December 22, 2003 including the amendments to the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
